

**ABMSP'S**

**ANANTRAO PAWAR COLLEGE OF ENGINEERING &  
RESEARCH, PUNE**

**CORE VALUES**

1. We provide our students the resources like Digital Library, Industrial Visits, Expert Lectures, freedom to analyze and inspiration to excel.
2. We create awareness among students about social roles and responsibilities through NSS & student welfare activities.
3. To bridge the gap between need of industry and end product of the institute by establishing closure interaction, resource sharing, collaborative research and consultancy.
4. We provide training to gain necessary skills & assistance to the students in career selection through training and placement cell.
5. To sharpen skills & to explore new trends, we motivate faculty and students to participate in conferences, technical competitions & to become members of professional bodies.
6. We inspire faculty and students to participate in national policies like Swachh Bharat Abhiyan, Make in India, Skill India & Go green.
7. We inculcate the knowledge of government acts, regulations & environmental policies for good human values & conducts.
