Report of Industrial visit

2016-2017

As a part of the curriculum, the students are required to undertake Industrial Visits to a few industries of repute. We feel it will be useful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

Industrial Visits was conducted under the audit course 2 as prescribed in SE Computer engineering syllabus of SPPU on 23/02/2017 along with 120 students. The Industrial visit was planned to go at **Intelidemics IOT Innovation Centre, Nasik, Maharashtra**.

The visit was conducted in its true spirit and was really helpful for the students to understand system in Intelidemics IOT Innovation Centre, Nasik. IoT Innovation Labs offer hands-on environments and real world examples where you can discover the business value of our comprehensive enterprise IoT portfolio. The labs provide a venue to collaborate with advanced HPE IoT technology solutions, learn about our direction and key strategies, and build business relationships. Discover how HPE can deliver targeted IoT business solutions to best meet your unique needs.

Our students are very eager to visit technical department of Intelidemics IOT Innovation Centre, Nasik, which currently doing the practical implantation of IOT Processing unit. It can also provide the information about the automation technique and embedded system use in IoT business solutions.
