EVENT REPORT

Following 8 D's of Success mantra's were explained and all the participants agreed with the benefits.

1. **Dedication:** Every student-athlete is incredibly dedicated to achieving success in their field.
2. **Drive:** That rare ability to go beyond the dedication and drive oneself to be better each and every day.
3. **Desire:** To achieve the level of excellence that is required by collegiate athletics, you must first desire to get there, probably as a small child.
4. **Determination:** Determination is similar to the traits mentioned above. It is that inner-self that speaks to an athlete at the moment most people would quit from exhaustion and compels them to the finish line.
5. **Discipline:** You should know that you have to stay on task, even when the distractions are many.
6. **Dependability:** In group task if one member fails to do their part, the job can't get done.
7. **Dignity:** We must have a sense of pride in ourselves that rings true to their very core. Doing it the right way, each and every day – not cheating, even if it could be done without detection.
8. **Decency:** Finally, there is decency. Decent person implies a winner.

1. Setting up objectives of innovation team for year 2022.
2. Proposed topics for discussion
 - a. How can we leverage APCOER students' strength to build various solutions which can be demonstrated?
 - b. Which domains to be targeted to involve departments in APCOER
 - c. Which projects to be planned in year 2022?
 - d. Anchor person for each project
 - e. How can we collaborate with Baramati agriculture trust and Oxford university in area of Artificial Intelligence and etc?
 - f. How can we take polyhouse project forward?
 - g. Periodic Review mechanism for each activity
 - h. How to initiate collaboration between industry and APCOER?
 - i. Can Innovation club become profit center?
3. Sharing thoughts by each participant on each topic
4. Setting up individual targets for year 2022

All are requested to attend the meeting.

Minutes of Meeting

I will be sharing summary of every one's inputs but here are action points :

1. All of us need to suggest projects (technical, non technical) which should be taken up by innovation club members in year 2022. Target to get 20-30 suggestions with 4-6 lines problem statement and we will short list top ideas as per APCOER's priority
2. We will initiate idea generation competition in APCOER to be participated by students. we can think to involve other institutes as well. I am waiting for Google form for the same. Students should suggest ideas in form on presentation having problem statement, solution block diagram, target customers, competitors.
3. We will create a pool of 50 bright students from all disciplines (10 students per discipline) . I am waiting for Google form template for the same. These students will work selected projects
4. We need to create team for each project consisting of one senior innovation team member, one faculty team member and group of relevant students.
5. Senior innovation team member and faculty team member will be ACCOUNTABLE for execution of each project as per agreed schedule, efforts and budget
6. Each project should have detailed plan (schedule, time line, efforts, team members, deliverables and risk mitigation plan). It can be maintained using any tool as simple as excel. Use of any other tool is most welcome
7. Project status to be updated every week and metrics to be made available at common place for all innovation team members (including Dr. Thakare) for reviews and feedback
8. Each project to be reviewed formally every month by another team to ensure collective wisdom and to leverage experienced of all seniors in innovation club
9. We will connect again after 2 weeks on 10th Feb 2022
10. I will share presentation on this by Sunday evening which will mention role & responsibilities of all stake holders
11. Once students list is prepared, innovation team will address these students to ensure their involvement in each program.
12. Dr. Thakare and his team to share time table of each faculty member to be involved in this initiative. These faculty members will be available on one day per week or 2-3 hours per day.
12. Following are high level expectations from every one :

Senior Innovation team members : Suggest 4-5 ideas each to be undertaken in year 2022

Create detailed plan along with faculty member and ensure its successful execution

Select right students from available pool and interest shown by students

Update project status periodically and share with all stake holders

Faculty member : Spare one day per week or 2-3 hours per day to work closely with innovation team member

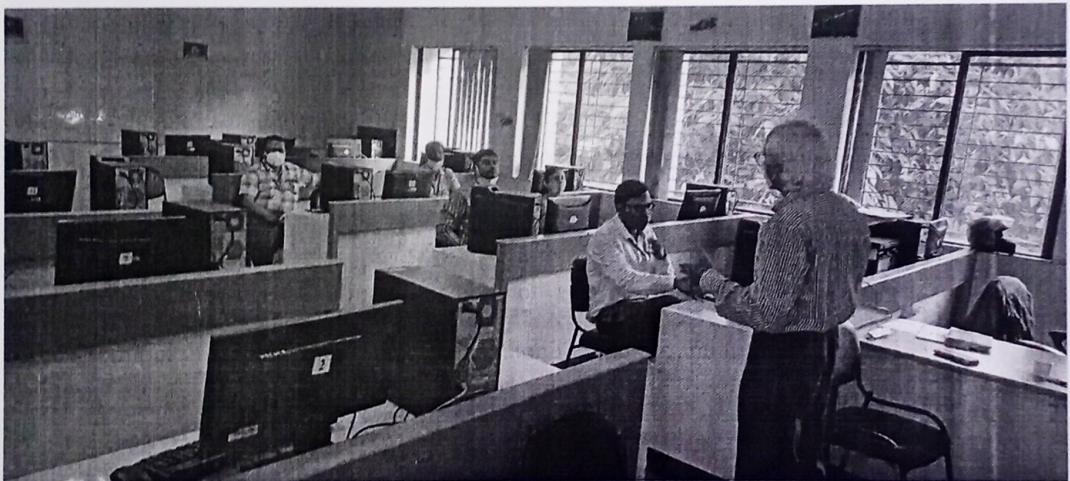

Guide students in team and execution done from them

Update project status periodically in predefined format

Participate periodic reviews

Raise alarms on time in case of materialization of risks

These are initial thoughts , please feel free to add more points and to bring clarity in way of working

विषय:- Institution Innovation Council (IIC) Committee स्थापन करण्याबाबत...

संदर्भ :- AICTE, New Delhi दिनांक - ०७/०७/२०२१ रोजी ई-मेलद्वारे प्राप्त पत्र.

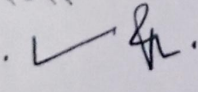

महोदया,

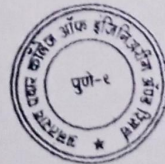

MoE's Innovation Cell (MIC) माध्यमातून शिक्षण मंत्रालयाने AICTE, New Delhi च्या सहकार्याने सन २०१८ मध्ये उच्च शिक्षण संस्थांच्या संस्कृतीत वाढ करण्यासाठी आणि शैक्षणिक संस्थांमध्ये स्टार्ट अप सुरू करण्यासाठी Innovation Council Program सुरू केला आहे. त्याअनुषंगाने संदर्भीय पत्रानुसार अभियांत्रिकी महाविद्यालयात शैक्षणिक वर्ष २०२१-२२ मध्ये Institution Innovation Council (IIC) Committee स्थापन करण्यासाठी डॉ. गणेश कारभारी, डॉ. काशीनाथ मुंडे, व प्रा. निलेश जाधव, IIC प्राध्यापक समन्वयक यांचे पत्र प्राप्त झाले आहे. कमिटी स्थापन करताना महाविद्यालयातील प्राध्यापक व विद्यार्थी, उद्योग क्षेत्रातील व्यक्ती यांचा समावेश आवश्यक आहे. सादर IIC कमिटी स्थापन झाल्यास महाविद्यालयात IIC उपक्रम आयोजित करता येईल.

करीता अभियांत्रिकी महाविद्यालयात शैक्षणिक वर्ष २०२१-२२ मध्ये Institution Innovation Council (IIC) Committee स्थापन करण्यास आपली मंजूरी मिळावी ही नम्र विनंती.

To,
The Principal,
APCOER, Pune.

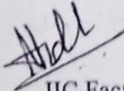

Subject: Regarding formation of Institution Innovation Council (IIC) committee at APCOER
Respected Sir,

The Ministry of Education (MoE) through MoE's Innovation Cell (MIC) launched the Institution's Innovation Council (IIC) program in collaboration with AICTE for Higher Educational Institutions (HEIs) in 2018 to systematically foster the culture of innovation and start-up ecosystem in education institutions.

As per the mail received dated 7th July 2021 from MoE's Cell, AICTE, New Delhi, our Institute needs to form IIC at APCOER for academic year 2021-22 which will help to start conducting the IIC activities at our institute. As a part of this establishment we need to form committee of council members which includes institute faculty, Industry person and students. Therefore I request you to kindly permit to form committee for academic year 2021-22.

Thanking You.
