**Innovation Club Member Report**

Academic Year: 2021-22

Date of Meeting: 11/08/2021

Venue: Board Room

Minutes of Meeting-

The Innovation Club Committee meeting opened with a review of past innovation initiatives, providing updates on their progress. Faculty research proposals from various departments were then evaluated, identifying any noteworthy submissions for further exploration. The committee discussed new research ideas and their potential impact.

Collaboration opportunities with external organizations and industries were explored, aiming to enhance innovation efforts through partnerships. Plans were made for upcoming workshops, hackathons, and innovation competitions, with initial discussions on themes and timelines.

The committee evaluated new innovative project proposals and explored funding opportunities and resource allocation, particularly for student-led projects. Strategies to foster an innovation-driven culture on campus were also discussed, focusing on increased participation and awareness. Finally, with the Hon. Principal's permission, other plans were considered before concluding the meeting.

### Innovation Club Member Report

Academic Year: 2021-22

Date of Meeting: 07/04/2022

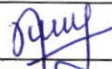

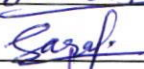

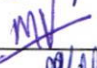

Venue: Board Room

Minutes of Meeting-

The Innovation Club Committee meeting started with a review of past innovation initiatives and progress updates on ongoing projects. The committee then assessed research proposals from faculty members across various departments, noting any promising ideas for further exploration. New research ideas were discussed, focusing on their innovation potential.

Plans for upcoming workshops, hackathons, and innovation competitions were outlined, with initial suggestions for themes and schedules. The committee also evaluated several new innovative project proposals, considering their feasibility and impact. Discussions were held on securing funding and resource allocation for student-led projects.

A strategy to foster a culture of innovation on campus was proposed, aiming to encourage more participation from students and faculty. Lastly, with the permission of the Hon. Principal, additional matters were addressed before the meeting concluded.

Minutes of Meeting-

- Welcome:** The Coordinator welcomed all members and highlighted the importance of fostering a culture of innovation and collaboration within the institution.
- Review of Past Innovation Initiatives:** The committee reviewed the progress of previous innovation initiatives, assessing their outcomes and identifying areas for improvement. Successful projects were acknowledged, and the need for more cross-departmental collaboration was emphasized.
- Review of Faculty Research Proposals:** The committee discussed research proposals submitted by faculties from various departments. It was noted that a few promising proposals are currently under consideration for institutional support and further development.
- Discussion of New Research Ideas:** Members exchanged new research ideas that have potential for future exploration. Some ideas were identified for further development and potential collaborations with external organizations.
- Collaboration Opportunities with External Organizations/Industries:** The committee discussed the possibility of establishing partnerships with external organizations and industries to support research projects, provide mentorship, and offer internship opportunities for students.
- Evaluation of New Innovative Project Proposals:** A number of new project proposals were evaluated, and the committee provided feedback on their feasibility, innovation potential, and resource requirements. Some proposals were approved for further development.
- Exploring Funding and Resource Allocation:** The committee explored various funding opportunities for student-led projects, including institutional funds, grants from external

### Innovation Club Member Report

Academic Year: 2022-23

Date of Meeting: 08/02/2023

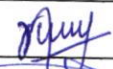

Venue: Board Room

Minutes of Meeting-

The meeting of the Innovation Club Committee was held on 08/02/2023 at 4:00 pm with the following members present. The committee began by reviewing past innovation initiatives, providing updates on ongoing projects, and acknowledging successful ones. Next, faculty research proposals from various departments were reviewed, with a few promising submissions identified for further development.

The committee also discussed new research ideas, focusing on their innovation potential and practical application. Collaboration opportunities with external organizations and industries were explored, with a view to forming partnerships that could support student projects and offer mentorship. Plans for upcoming workshops, hackathons, and innovation competitions were discussed, with tentative themes and dates proposed.

Several new project proposals were evaluated, and some were shortlisted for further development. The committee also strategized ways to promote a culture of innovation on campus, emphasizing interdisciplinary collaboration and increased awareness of available resources. Finally, with the permission of the Hon. Principal, additional suggestions were considered, including setting up an online portal for project submissions and updates.

### Innovation Club Member Report

Academic Year: 2024-25

Date of Meeting: 04/09/2024

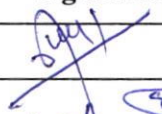

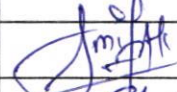

Venue: Board Room

Minutes of Meeting-

The Innovation Club Committee meeting commenced with a review of past innovation initiatives and updates on their progress. This was followed by an evaluation of faculty research proposals from various departments, identifying any notable projects for further consideration. New research ideas were discussed, focusing on their potential for innovation and development.

The committee explored collaboration opportunities with external organizations and industries, aiming to form partnerships that could benefit the institution's innovation agenda. Plans were made for upcoming events such as workshops, hackathons, and innovation competitions, with themes and timelines tentatively outlined.

Proposals for new innovative projects were evaluated, with a focus on their feasibility and impact. The discussion then moved to strategies for securing funding and resources for student-led projects. The committee also strategized on promoting a culture of innovation across campus, including engaging students and faculty in more creative pursuits. With the permission of the Hon. Principal, additional plans were briefly discussed before concluding the meeting.
