The Heritage Club at Anantrao Pawar College of Engineering and Research is dedicated to fostering awareness and appreciation of our rich cultural heritage among students. This initiative aims to preserve and promote our ancient traditions, social reformers, and the values they represent. Through a variety of engaging activities such as crafts, museum visits, heritage walks, and guest lectures, the club encourages students to explore the significant contributions of social reformers and historical figures. Our objectives include instilling pride in the local and national heritage, promoting the habit of reading biographies, and cultivating an understanding and appreciation of India's diverse cultural legacy. Join us in celebrating and safeguarding our heritage for future generations!

Heritage Club

Heritage Club: APCOER

What is Heritage Club?

The heritage club is initiated for the students with purpose of creating awareness, preserving and promoting our varied and rich ancient culture, social reformers, our saints and traditions, among the young learners.

What do we do at Heritage Club?

The Heritage Club programs are designed so as to involve students in various activities geared towards educating students about our Social Reformers, Worriers, and generate Heritage Awareness, Education and Preservation using crafts, museum visits, heritage walks and guest lectures.

Objectives of Heritage Club

- To make the students aware and be proud of the richness of the natural and cultural heritage in their own locality, state and country
- To generate awareness and pride about social reformers in India
- To inculcate habit of reading biographies
- To enable students to appreciate rich cultural heritage
