## “Annual Sports Report 2023-24”

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student’s life. A student should study hard to be successful in academic examinations. But, he should also play games and sports to enjoy the health and vigor of life. Along with bookish learning, a student should spend his time on games and sports also. Either study or work alone makes us exhaust. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. The Department of Physical Education and Sports marks itself as one amongst the most efficacious Department of Anantrao Pawar College of Engineering and Research, Parvati, Pune-09. It strives to excel at all levels and bring laurels to the college. With the help of college faculty we are continuously improving in sports field. Considering the concept of “FIT INDIA” throughout the entire session we organized Inter-department tournaments for students as well as some sports activities for staff (teaching and non-teaching). It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one’s physical capability. These competition also offer a break from the daily routine tasks and recreate or re-energetic them. The annual sports event was inaugurated through the flame lighting ceremony, in which, the torch was lighting by Hon. Mrs. Pramilitai Gaikwad, General Secretary, Akhil Bharatiya Maratha Shikshan Parishad Pune, Dr. Sunil B. Thakare, Principal, Apcoer, all HoD’s and students who have best performed in the sports competitions at different levels. The following events have been organized by the Annual Sports Event 2023-24 for Inter-Departmental sports tournaments for all students from 16<sup>th</sup> January 2024 to 20<sup>th</sup> January 2024:

## Organizing Chess Competition an Occasion of International Chess Day 2023-24

The inter class chess competition was held on the 5th August 2023. The event started at 11:00 AM on 5th August with a total of 24 students taking part in the competition. 4 Chess boards were provided and the students were split into 4 groups who were made to play simultaneously. Every contestant was given 15 minutes to make their moves. The result was decided either by the timer or by Checkmate. All the matches were knockout matches and the loser had to go out of the tournament. The tournament was a tough one with all the contestants putting out their best skills. First day ended with 4 participants who qualified for Semi-finals. The top four qualified players gave their best to win the game. The tension in the game kept increasing as the day went on. Finally, after a tough competition, the results were known with :

Workshop venue : Anantrao Pawar College of Engineering & Research Parvati pune

Date of Workshop : 21/08/2023 & 22/08/2023 at 10:15 am to 11:15 am

Participants Count : 156

**Brief Information of Workshop :**

Sahaja Yoga meditation is a unique solution to many problems we face in life. Sahaja Yoga is different than other yogas because this begins with self realization instead of this being the unobtainable dream of a distant goal. Self realization also known as - "Knowing thy self" can be explained as follows - better understanding of our inner personality and establishment of harmony with the external demands. This can be easily learned and mastered by regular meditation and knowing the foundation of our being which is present as The Subtle System within all of us.

1. Sahaja Yoga completely cures stress by improving emotional well-being and self-Improvement.
2. The sense of inner calm that you experience during Sahaja's state of meditation boosts your emotional resilience, which ensures that you can effectively cope with stressful life events now and over the longer term.
3. Sahaja Yoga helps restore balance and a sense of well-being and improve self-esteem. It also revitalizes energy, restores optimism, peace and contentment. You'll develop the ability to self-regulate your attention and focus on the present moment with curiosity, openness and acceptance.

4. You'll find that you're able to observe and monitor your thoughts, feelings and sensations as they're happening. The result is increased self-awareness, intuition and introspection.
5. Your communication skills improve and your compassion and empathy for both self and others is enhanced. You become attuned to both the flow of energy and information within your own mind, as well as to the minds of others. Your overall personality improves. Your relationships improve. Creativity, focus, productivity and decision-making ability improve.
6. The constant practice of meditation in Sahaja Yoga enhances emotional stability by helping you self-regulate your emotions and respond to life's stressors reflectively, rather than reflexively.
7. The present-centered awareness that results from the meditation allows helps you manage negative thoughts and feelings and regulate self-damaging emotions such as anger, fear, anxiety and feelings of low self-worth. You're better equipped to confront and solve your problems, rather than just feeling guilty about your "mistakes."
