<b>EVENT REPORT</b>			

**Name of Event:** Expert session on "Remote Sensing & GIS" under Vidyanjali Initiative.

**Venue of Event:** Civil Engineering Department, Online.

**Date of Event:** 12/03/2022.

**Time of event:** 2:00 PM to 4:00 PM

**Name of Event Coordinators:**

Asst. Prof. Krantikumar V. Mhetre (Vidyanjali-Institute Nodal Officer)

Asst. Prof. Krantikumar V. Mhetre (Subject Teacher)

**Target Audience with count:** 45 students

**Brief Description of Session:**

The Session started with the brief introduction of Dr. Abhijit Zende as the expert person for the session. The Session was arranged for students of Civil Department. Dr. Abhijit Zende sir is Professor & Head of civil engineering department at Dr. Daulatrao Aher College of Engineering, Karad. Sir has explained about basic principles of remote sensing and GIS & its wide applications in the field of civil engineering with the help of real satellite images of famous places on the planet and nice presentation of all concepts.
