Computer Engineering	92	Mechanical Engineering	18

Year Wise Count:

S. E. : 149	T. E.: 84	B. E.: 32
-------------	-----------	-----------

Brief Description of Event:

In joint collaboration with ISTE & IQAC we are in the vision to form 26 different clubs for student and faculty development in APCOER. Out of them the Foreign Language Club (FLC) has been established. The sole motive of Foreign Language Club (FLC) club is to provide a learning platform for foreign languages through online courses to our students as well as faculties. The prime benefit to every individual with the knowledge of the foreign language is that it becomes easy to work for a company with global business connections and its counterparts, in turn developing one's Quality of Service.

In reference to the same, and as per the directives of Hon. Principal Sir, an awareness session has been scheduled.
