Internal Correspondence For Department

Membership of National Digital Library of India (NDLI)

The National Digital library of India is a project under the Ministry of Human Resource Development, The Government of India. It is developed, operated and maintained by the Indian Institute of Technology, Kharagpur. The National Digital Library of India (NDLI) is a digital library that stores information about different types of digital content including books, articles, videos, audio, thesis, and other educational materials relevant for users from varying educational levels and capabilities. It provides a single-window search facility so that learners can retrieve the right resources with the least effort in minimum time and free of cost. APCOER has become a member of the NDLI Club. Around 636 staff and students have registered for the club.

This is to certify that "Akhil Bharatiya Maratha Shikshan Parishad's Anantrao Pawar College of Engineering And Research" is registered as a NDLI Club under the National Digital Library of India.
