& Research, Parvati, Pune - 9

Why to become an entrepreneur. What is current need of society? What are different qualities one should have to become a successful entrepreneur?

Dr. K. H. Munde talked about finding real time problems existing nearby us which we are facing in day to day life and finding solution on same. He also focused on problem solving skills development and how to convert project in to successful startup. He also given information of IIC which provides incubation facilities to our students. Students can get access of incubation center and develop their own startup or new idea over there.

Ms. Akshada N. Gogawale, she guided students regarding preparation of business plan which are more concerned with commercial and financial aspects. She brief the students, how to set up a business and how to expand it by sharing his own experience. She guided students in marketing management in small businesses with the help of very fine and easy to understand videos. She also explained importance of communication for growth of business.

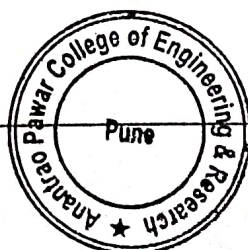

Mr. Deepak Mote, working as Founder, DPK Academy & successful entrepreneur. He explained journey of entrepreneur and consequences during successful entrepreneur. He also sheared funding management.

Dr. Sujay Deshpande, discussed about how we could developed entrepreneurship. He also conduct a realistic game on how entrepreneur think towards profits.

At the end, certificates were provided to students for attending this one day Workshop on "Entrepreneurship Development".

Total 104 students enrolled in Entrepreneurship Development workshop. Total contribution from institute is Rs.7100/- required for Hospitality of Speakers and Participants during Entrepreneurship Development Workshop.

I am thankful to my management for supporting us to organize Entrepreneurship Development. I am also thankful to Student Development Department, Savitribai Phule Pune University, Pune for their guidance & support.
