Criterion 6

6.5: Internal Quality Assurance System

6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities.

Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. The IQAC committee is formed at the institute level, by following the norms of NAAC. IQAC committee prepares the academic calendar for the institute as per the guidelines received from Savitribai Phule Pune University before the start of every semester. IQAC committee meetings are conducted twice in a year and in some cases more than twice as per the requirements. All the curricular, co-curricular, and extra-curricular points of the students, faculty & staff members are discussed in the IQAC meetings. The quality assurance strategies and processes are discussed and formed in the meeting of IQAC committee and action taken report is generated after the meetings as an outcome of the meeting. Strategies and procedures like conducting academic audit of all departments twice in a semester by appointing auditors for each individual faculty members to ensure the standard quality of academics delivery to the students. The academic calendar is finalized by incorporating the planning of events, workshops, seminars, unit test of students, defaulter list of students, and prelim examination of students, preliminary and final academic and administrative audit at institute as well as department level. Once the academic calendar is circulated in the institute, the various departments run all the academic activities as per the schedule declared by the IQAC in the academic calendar. Timely student feedback, internal academic audit are the important milestones to ensure the quality of teaching maintained through the IQAC. The auditors conduct audit as per the schedule given by IQAC head, and completes the audit in the form of a report. Those audits completed reports are available with all individual faculties in their course files, with the departmental ISO coordinators, and with IQAC team as well.

In addition to this, the IQAC conducts various programs at the institute level for students as well as faculty. The programs for students include Entrepreneurship awareness camp, Personal finance management, Career cracker talent hunt, Future disruptive technologies, Python,
