Report on "Tree Plantation"

On 22nd July, 2017, Anantrao Pawar college of Engineering and Research successfully completed the event of Tree Plantation under the National Service Scheme at college campus. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The event was begun with the welcoming of guest Honorable Mrs. Pramilatai Gaikwad, Secretary ABMSP, Parvati, Pune. Welcome speech and agenda of event has been discussed by the Principal Dr. Sunil Thakare. At that time Principal Sir advised to think differently for the Society to make positive changes and to make improvement. Student Welfare Officer Prof. G. E. Kondhalkar, NSS program officer Prof. Anil T. Lohar, Sport Director Mr. Sarode, all the faculties, students and NSS volunteers were present for the event.

Hon. Mrs. Pramilatai addresses the NSS volunteers and students on social activities through NSS. She passed a message of kindness & being helpful to the needy people and told that the dedication is must to accomplish the goals and dreams in life. After the inspirational words of guests and Principal we all moved towards the place where tree plantation took place. A very first tree plant by Hon. Mrs. Pramilatai Gaikwad in college premises and then Principal Dr. Sunil Thakare also plant a tree. Total trees planted by all the teachers and volunteers were more than 40 on the day. All were happy for the tree plantation event, because it really feels great to do positive for the nature.

Subject : Observance of Birth Anniversary of Sardar Vallabhbhai Patel on 31.10.2017 as
Rashtriya Ekta Diwas (National Unity Day).

Sir,

The Hon'ble Minister has reviewed on 16.10.2017 the status of preparation for the observance of Rashtriya Ekta Diwas (National Unity Day) on 31st October, 2017 (Birthday of Sardar Vallabhbhai Patel) in Delhi and across the country.

2. Hon'ble Minister was apprised of the following:-

(i) NYKS has made preparation of mobilization of 500 youth (Five hundred youth) to participate in the main programme at New Delhi (under coordination by MHA). NYKS has informed that necessary instructions/directions have been issued and confirmation of attending of 500 youth has been received. This is in accordance with the "Records of discussion on 29.09.2017 chaired by the Home Secretary".

(ii) Those who will be leading the group of 500 NYKS youth on 31.10.2017 should also be oriented and briefed adequately about their reporting, movement, actual run and reporting back/assembling back.

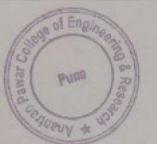

(iii) To mark the day, a combination of activities such as singing of National Anthem, offering floral tributes, taking pledge for Rashtriya Ekta Diwas, Run for Unity by youth, essay/painting competitions, lectures and discussions by youth on Rashtriya Ekta, thoughts of Sardar Vallabhbhai Patel, sports and cultural activities etc. can be undertaken. This has been communicated to the State Directors, NYKS. In turn, this should be communicated to the

Cultural Performances in SPARKTECH 2K18

Sparktech 2K18 is the much awaited annual event at Anantrao Pawar College of Engineering and Research. It is a celebration of innovation and ideas, bringing together aspiring engineers and developers from all over the Pune region engineering colleges. This year, the event is scheduled to take place from 16th to 18th Feb 2018.

Possessing the cultural heritage within the undergraduate student is must thing now a days. It delivers the holistic approach among students and aware graduates with surrounding culture. Each year all college students participate in annual gathering of the college named SPARKTECH 2K18. Where students performer show their extra-curricular skills via activities like dancing, singing and playing musical instruments.

Objective of Event:-

Sparktech 2K18 is a unique platform for students to showcase their technical and creative skills. It provides the perfect opportunity to interact with industry professionals and interact with the latest technologies. The event is divided into two main categories: technical and non-technical events. In the technical events, students can take part in various programming competitions. These events help students understand the latest technologies and learn from their peers. They also get an opportunity to network and make connections with industry professionals.

The non-technical events are equally important and are focused on developing the students' skills in arts, music, dance, drama, debating, and other cultural activities. It is a great way for students to explore different cultures, hone their skills and become more confident. The event also includes a variety of entertainment activities like gaming tournaments, movie screenings, and live music performances. There are also food stalls and a variety of other activities to keep the students engaged throughout the event.

The cultural events included were
