Report on Sinhagad Karandak Street play competition.

As per the notification received from Sinhagad College of Engineering Pune. Sinhagad College Organised street play Competition dated on 24th January 2016, our college students participated in that street play competition and secured "Runner up" place. Street play basically depends upon the problems faced by the women at the time of bleeding. How people used to treat them in daily life .Our college students pointed out the real situation faced by the women at the time of bleeding and Performed extraordinary well in that competition and judges really impressed by our performance Runner-up place is the sign of our hard work, dedication and passion.

Under the guidance of Principal Dr. S. B. Thakare and Art Circle Coordinator Prof. Sandeep Raut, Prof. Sanket Hingankar And Prof. Sayli Kokane ,Students of our college achieved the grand success in Street play Competition.
