Name of Event Coordinator: Prof. Pranjali More

Name of Resource Person/Speaker: Mr. Travedi Taher

Target Audience with count: - 34

Brief Description of Event:

- Introduction of Inaugural Function
  - Introduction given by Prof. Rama Gaikwad, Asst. Professor, Computer Engineering about the Speaker Mr. Travedi Taher.

- Brief Session Description

During the session following points were discussed:

1) What is GRE & IELTS ?

2) How to prepare for it?

3) What are the advantages of taking GRE & IELTS?

4) What is difference between their and our education system (theoretically & practically)?

5) How much funding is needed?

6) What are the scholarship opportunities?

7) Significance of profile development.

8) Shared his real life challenges that he is facing in pursing MS.

9) Importance of getting guidance at right time.

10) Solved the queries aroused by students.

This session was an inspiration to the students to opt for GRE as an option for higher studies. Mr. Travedi Taher stressed on involvement of students in extracurricular activities apart from academics. To stand in a global competition, a right balance is needed between academics and extra-curricular activities.

- Feedback/ Q-A Session/ Valedictory Function
  - Question were asked from some students on how to prepare a time table for GRE, what should be the mind set for preparations, what are the books to be referred to Crack the GRE & IELTS.
- Vote of Thanks
 - Vote of Thanks given by Prof. Anil Lohar for the session.
