Dear Mandar,

Congratulations!

Your AWS Educate application has been approved. As a member of the AWS Educate program, you will gain access to the benefits listed below:

**AWS Educate Educator Collaboration Portal (ECP)**

The ECP is the hub for AWS Educate educators around the world to find great content on cloud computing, learn about the program, and interact. [Click here](#) to set your password and login to the ECP for the first time. Your username is your email address.

[Click here](#) to access the ECP directly in the future after updating your password.

**AWS Promotional Credit**

It's our pleasure to issue you an Amazon Web Services (AWS) promotional credit code in the amount listed below.

Credit Amount (US): \$200.00

Credit Code: PCO86UXW62S5HP

**Free AWS Essentials and 50% discount on Instructor-Led Training**

To access our foundational AWS Technical Essentials online learning class for free, get your 50% discount on Instructor-Led Training, and find many other self-paced labs, first sign into to your AWS account and then [click here](#).

Once you access the Training and Certification portal, click "Find Training" and search for "Technical" to easily locate and enroll in AWS Technical Essentials on-line training. You can also search for instructor-led training and browse the full training catalog. You can access AWS training any time after setting up your account by [clicking here](#).

**50% Discount on AWS Certification**

If you would like to receive a 50% discount on an AWS Certification exam, please set up a webassessor test taker account [here](#) and then [click contact us](#) to request a discount code. Each educator is eligible for only one certification discount coupon.

After you log in to the ECP, you may find it useful to explore the AWS Educate Institution Onboarding Guide by [clicking here](#). This guide provides a walk-through of the AWS Educate applications for students and educators; processes to create billing alerts and link accounts; an overview of AWS account creation pages; and options for managing student accounts for institutions interested in different approaches.

Thank you again for participating in AWS Educate and we hope you enjoy the program!

The AWS Educate Team

ABMSP's Anantrao Pawar College of Engineering & Research, Pune  
S. No. 103, Shahu College Campus,  
Shahu College Road, Parvati Ramana, Pune,  
Pune  
MAHARASHTRA 411009

On behalf of Oracle Corporation, Oracle Support Services would like to thank you for your recent purchase of Oracle products and technical support services. Our support services team is ready and committed to assist you in protecting the investment you have made.

With your purchase, you now have access to Oracle's exclusive web support portal which provides you secure, real-time access to critical and timely information related to your investment in Oracle's technical support services. Please visit the Oracle Support website at <http://www.oracle.com/us/support/index.html> where you will find information about technical support service descriptions, technical support policies, technical support news and events, and internet seminars.

You can also access Oracle technical support services through one of the industry leading web-based customer support systems:

- **My Oracle Support**

To register for My Oracle Support, please use your **Customer Support Identifier ("CSI")** number below. If you are already a registered user, please add the CSI number(s) below to your existing My Oracle Support user profile. To access My Oracle Support, [click here](#).

- Review [My Oracle Support - How-to Training Videos](#) and quickly learn about key features of My Oracle Support in just a few minutes.
- Learn more about My Oracle Support features and capabilities by attending **My Oracle Support Essentials** sessions. To view the current schedule and to register [click here](#).

- **Support interfaces for recently Acquired Products**

Oracle is committed to ensuring that you receive specific product support as we transition recently acquired companies into Oracle's framework of technical support services and tools. To access the appropriate support portal for your product, please go to: <http://www.oracle.com/us/support/support-integration/index.html>

### Technical Contact Information

As the technical contact for ABMSP's Anantrao Pawar College of Engineering & Research, Pune, you are the individual designated within your organization who may contact Oracle Support Services to resolve technical issues.

If your order with Oracle allows international deployment of programs to your subsidiaries or includes hardware that has been relocated outside the country of delivery, please communicate the relevant CSI in this email to persons in

those countries who will be technical contacts with Oracle.
