NOTICE

Environmental issues are now a day's becoming a global and local concern. It is also being found that college campuses are often the source of enormous amount of plastic pollution. With the goal to make our college plastic free campus, awareness banners have been displayed at different locations of our college.

Considering the facts, all Faculty, Staff members and students are hereby informed that use of plastic bags with more than 40 microns within the college campus is banned from today onwards.

All are requested to be a part of this Green Campus Initiative.
