Brief Description of Event:

Department of First Year Engineering and Institutions Innovation Council of APCOER Celebrated “National Entrepreneurship Day” on 9th November 2023, through an online platform. The main objective of this event “National Entrepreneurship Day” is to undertake threshold activities to generate awareness, trigger creative tendencies, motivate students to choose entrepreneurship as a career, promote innovation and start-up ecosystem, and culture among students and faculty on campus.

Dr. Sharad Pasale expressed his thoughts about innovative ideas and awareness about entrepreneurship among the audience. Dr. Sharad Pasale highlighted the importance of entrepreneurship and provided tangible opportunities for students to embark on their entrepreneurial journeys. He also explained the difference between innovation and invention to the students to fix the idea about their Entrepreneurship goals.

He explained the real meaning of Entrepreneurship Development. Entrepreneurship Development is a process of enhancing the skillset and knowledge of entrepreneurs regarding the development, management and organization of a business
