EVENT REPORT			

Name of Event: "STEMfor Industries and Professional Development"

Date of Event: 24th March 2025

Time of event: 9.30 am to 11.00am

Venue: Mechanical Seminar Hall, APCOER, Pune

Name of Event Coordinator: Dr. Rashmi Kenvat

Target Audience: APCOER First year Engineering Students.

Mode of Event: Offline

Guest Speaker: Dr. Ajay V. Deshmukh, Honorary Director, Centre for Industrial Mathematics, Pune

Brief Description of Event:

The session aimed to bridge the gap between academic knowledge and industrial requirements, providing insights into industry trends and equipping participants with essential skills for professional development.

Session Highlights:

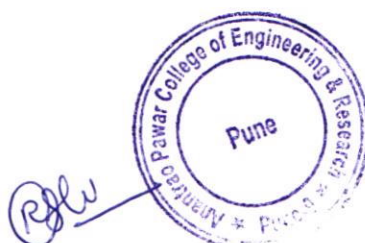

The session highlighted the role of **STEM (Science, Technology, Engineering, and Mathematics)** in addressing industrial challenges and enhancing career prospects. Dr. Deshmukh provided valuable insights into how STEM education fosters critical thinking, problem-solving, and innovation, which are essential for industry readiness.

Participation and Engagement:

- Total Participants: 80 (including faculty members and students)
- The session witnessed active participation from the attendees, with an engaging Q&A session where participants clarified their doubts and gained a deeper understanding of the topic.

Key Takeaways:

- Understanding the importance of STEM in industrial applications.
- Exploring the integration of theoretical knowledge with practical industry requirements.
- Preparing participants to enhance their career prospects through STEM-based skill development.
