MEMORANDUM OF UNDERSTANDING

**ABMSP's Anantrao Pawar College of Engineering & Research,
Parvati, Pune- 411009**

Shahu Campus, Parvati, Pune, Maharashtra 411009

&

Extremity India Technologies, Pune, Maharashtra 4110052

This non-binding memorandum of Understanding ("MOU") entered into effective as of 10th April 2024, by and between:

ABMSP's Anantrao Pawar College of Engineering & Research is one among the hallmark institutes of Pune, established in 2012 with the aim of providing quality technical education and excellence in the ever expanding horizon of technical revolution of 21st century. The institute is becoming an icon in the field of engineering education in the state of Maharashtra. APCOER is also accredited by NAAC with "B" grade.

Department of Information Technology-

The department of Information Technology is well known for academic excellence, research culture delivered through its undergraduate programs. The Department of Information Technology was established in 2012 with the intent to provide quality education to the young aspirants with an intake capacity of 60.

The motto of our department is to provide quality technical education to students, which will lead them sustain peaks in the field of technology. Department of Information Technology has labs equipped with high configuration machines and latest software's required for teaching/learning process and research. The department leads to empower students with quality education in the wide areas of information technology.

Department Highlights:

- Remote Centre of IIT Bombay for certified training programs to students.
- APCOER is under mentorship of COE, Pune thereby students could interact with professors of COEP and can use library & laboratory facilities of COEP.
- APCOER Innovation Club members have renowned Scientists, Retired Chief Engineer, and IT Professionals to guide students in Research, Entrepreneur activities, Internship, and Start-ups.
- Technical events of national importance like Technothon, Spark-Tech, Engineer's Day, and Concrete Day are regularly organized to enhance the skills, personality, and team building of IT engineering students.
- Nodal Centre of IIT Bombay for the use of virtual laboratories for students.
- Industrial and Educational visits, Workshops, Webinars are conducted to understand the technical know-how in the IT engineering field.
- APCOER Business Incubation Center is established to support student Start-up.
- Department handling project "Design and implement of Digital solution to enhance the Efficiency and Productivity of Modern Form" in association with IICARE Foundation.
- Department handling project "Empowering ASHA workers can view their Ante Natal Check-up (ANC) and post Natal Check-up (PNC) visit schedule and track them effectively" in association with IICARE Foundation.

- Department is ISO (9001:2015) certified and follows Quality Management System procedures for student development.
- Language club to teach Japanese and English language on regular basis to develop the students for international opportunities.
- Facility of Honors in major/minor courses in addition to the regular Information Technology degree.
- Internship, Earn & Learn Scheme, Involvement of students in consultancy works.
- Effective and Innovative Teaching-Learning process with Smart Classrooms.
- Placement cell for assured placement of students.
- In-Campus Guidance for Engineering Services, GATE, Public Sector Undertaking's (PSU) through Rajarshi Shahu Academy of our trust ABMS Parishad, Pune.
- 'DST Prayas-Shaala' Centre of Science and Technology Park, Pune worth Rs.5 Crore to enable prototyping activities.
- Student Counseling & International Relationship Cell (SC & IRC) for students to grab higher education opportunities in universities abroad.
- Special Scholarships to students under various schemes other than conventional government scholarships (Lila Poonawala: for girls, Deccan Maratha Education Society: for boys and girls, APCOER: ANANT for boys and girls of IT engineering).
- Industry centric Curriculum.
- Tracked curriculum with special track in Industry Internships, Research, Higher Studies and Entrepreneurship in Final year.
- Student Internships in reputed industries.
- Alumni serving Government organizations, Civil Services and reputed Industries across the globe.

And

Recitals:

WHEREAS, Extremity India Technologies (-Company) is since 2011 engaged in the business of Website Development, Software Development, Online Applications Development, Technical Consulting Services, and Industrial IT Training Facilities and Guidance. WHEREAS, College wishes to utilize the services of Extremity India Technologies in connection with the Development and Training in the Organization. THEREFORE, Extremity India Technologies and College agree as follows:

Objectives:

- To help every student in his endeavor.
- To empower the student in IT Education.
- To ensure that the perfect Knowledge Transfer has been made.
- To ensure that he is able to apply the knowledge obtained in his field.
- To provide Technical Support in Training and Development as well.
- To ensure that College Students and Faculties always be updated with technology using such Guest Lectures, Seminars, Workshops and Trainings.

Scope of MoU:

- This is an association between the Company and the College in presence of officials of both the organization.
- Will Provide Guest Lectures, Seminars, and Technical Workshops on College Requirement Basis and help in Placement Assistance.
- We also associate in providing Computer Software and Other Computer equipments to college.
- Training & Development and dissemination of knowledge for students of APCOER and employees of both the organizations.
- Summer Internship and placement of the eligible students from APCOER, strictly according to the extant rules and regulations of M/s. ExtremityIndia Technologies.
- Collaborative efforts in setting up grounds for long term partnership to conduct various Social Activities.
- Conducting exchange programs for students, faculty members as well as the employees of M/s. ExtremityIndia Technologies.
- Any other area which may be mutually beneficial to both the organizations.
-
- Any query and doubt will be strived to eliminate with utmost satisfaction. We will put every effort to link knowledge and the work sector. Our agenda is to make each and every person empowered so that he/she can contribute to the IT Field.
- We want to be associated with one of the finest colleges in India. Hence, we are constantly on the lookout for the next best college where we can perform our knowledge transfer.
- Also, it is essential to donate as much knowledge we have gained to deserving students and faculties. Thus, what we call as Knowledge Domain is waiting to be dispersed among students of many colleges.
- Our primary aim is to bridge the link between the growing demand for IT jobs and IT education. This is where the Knowledge Transfer comes in.
- Hence, apart from updating students about the latest software's, we also teach them about performing in the Interviews that is, how to crack them; giving them tips and strong points to get selected etc.
- Hence, with this association, all our agendas are being satisfied and we are more than happy to be associated with such reputed colleges.

Limitations on Use:

The Company does not permit the utilization of its name/brand for use by any other association partner, other company without prior permission. Breaching of the clause would lead to immediate legal action.

Confidentiality:

Licensee agrees to observe complete confidentiality with respect to the Company, and will not disclose any information, copy, reproduce or alter the Information provided.
