<b>Industrial Visit Report</b>			

1. Visit Place (Address) : Jabil, Pune (MIDC Rajangaon)
2. Visit Date: 27th June, 2025
3. Contact Person Details: Mr. Sopan Aher (9923753601)
4. Organized By:- Dr. Swati Gandhi, Prof. Ashvini Bhosale
5. Industrial Visit under subject:
  - I. Discussion on topics/modules to be added in our syllabus/curriculum as per skills requirements for Jabil (PG courses as well as in UG course)
  - II. Understand the products and what type of communication technology products being manufactured in Jabil.
  - III. Discussion/Feedback about our students who are Jabil employees.

6. Brief Report:-

Jabil, Pune is one of the reputed MNC and spread across the geographical locations. They having expertise in industries sectors like Automotive, Consumer Electronics, Digital Home, Energy, Industrial Networking, and Telecommunications. They are manufacturing as well as assembling the PCBs for different companies like Nokia, Ericson's, Samsung, NVIDIA etc. We visited the floor workshop plant phase 2. We observed the PCB designing process, fault identification, Precision injection molding and tooling and RF simulation and 5G RAN assembling process.

After discussion with their team Mr. Shredhar, Mr. Sopan and our student Ms. Shivani, we identified the basic skills required for students to get entry into MNC companies are PCB designing, RFIC design, Wireless Protocols and technical report writing.

Also we discussed about the performance and feedback of our students. They are willing to promote their employee for UG and PG courses in Electronics and Communication Engineering.

Few points of discussions like Center of Excellence, Faculty and Industry collaborations through training and workshops, Internships are still in progress with their HR and Management team.
