Internal Correspondence For Department			

To,
 The Principal,
 Anantrao Pawar College of Engineering and Research,
 Parvati, Pune 09.

Subject: Permission for Arranging Guest Lecture on "Personality Development"
 (Art of Self-Management) on 07th November 2025.

Respected sir,

With respect to above mentioned Subject, Department of First Year Engineering, wish to organize a session on "Personality Development" (Art of Self-Management) for FE Students on 7th November 2025. We are going to invite Mr. Sumeet Kelakar ISKCON, NVCC, Pune & Dr. Rajesh Jalnekar, Director of VIT Pune, This session will be welfare for the students.

Expected Expenditure is Rs. 500 (Five Hundred only)

Kindly give permission to conduct the session.

Notice for Student

All the students of department Of First Year Engineering are hereby informed that Guest Lecture is scheduled on 'Personality Development' on 13/11/2025 at 10.00 AM.

Attendance is compulsory for all F.E. students.

Details of the Guest Lecture as follows:

Guest lecture Topic :- **Personality Development** (Art of Self-Management)

Resource Person:- Mr. Sumeet Kelkar & Dr. Rajesh Jalnekar

Date :- 13/11/2025

Time :- 10.00 AM

Date: 12/11/2025

Event Report			

Name of Event: Personality Development (Art of Self-Management)

Date of Event: 13th November 2025

Time of event: 10:00 am to 11.30 am

Name of Event Coordinator: Asst.Prof. Rupali Mehetre, Asst.Prof Laxmi Bichhal

Target Audience with count: F.E. Students (140)

Institute Vision Mission

Vision:

Committed to comprehensive development of students through quality technical education.

Mission:

- 1) To Provide state of art infrastructure that shall create ambience to encourage novel ideas, research activities and consultancy services.
- 2) To inspire students in creation & entrepreneurship.
- 3) To create future technocrats with intelligence, technical skills, & good ethical moral values so as to Serve needs of society & industries.
- 4) To provide healthy Teaching-Learning environment that will cultivate contemporary research activities, Innovations & inventions.
- 5) To develop center of excellence in technical education.

First Year Engineering Department

Vision:

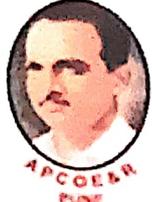

To offer students innovative fundamental courses and academic advising opportunity to explore engineering education to take up their core program education. .

Mission:

1. Inculcate the spirit of team work, innovation and entrepreneurship among the students through Continuous teaching Learning Process.
2. Suggest methods to identifying right problems for fundamental courses
3. To provide beneficial environment for Technical Education and Overall personality development
4. To introduce multiple tools for assessing and evaluating for potential Innovations .

Event Report			

Brief discussion of session

The First Year Department of engineering organized session on **Personality Development: Art of Self-Management** on 13th Nov 2025. The event began with a **welcome address** by Asst. Prof. Rupali Mehetre, Both the speakers Mr. Sumeet Kelkar and Dr. Rajesh Jalnekar, were felicitated by Dr. Balaji Selukar Head of Department First Year Department.

Objective of the session

- To enhance students' awareness of personal strengths, weaknesses, and values.
- To develop effective self-management skills including time management, stress control, and goal setting.
- To build confidence, positive attitude, and communication skills essential for engineering professionals.
- To encourage students to take responsibility for their own academic and personal growth.

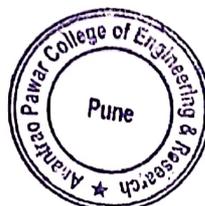

Highlights of the session

- An interactive session was conducted by Dr. Rajesh Jalnekar VIT, Pune and Mr. Sumeet Kelkar ISKCON, NVCC, Pune.
- **Dr. Rajesh Jalnekar** delivered an insightful talk on *Self-Management and Personality Development* from a leadership and management perspective. He encouraged students to develop clarity of goals, self-awareness, and emotional intelligence to excel in life.
- **Mr. Sumeet Kelkar (Samarpan Gopa Dasa)** from ISKCON NVCC, Pune, shared teachings from the **Bhagavad Gita**, highlighting the spiritual dimension of self-management. He spoke about inner peace, balance, and values-based living as foundations of a strong personality.
- The session included interactive discussions where students asked questions related to stress management, focus, and work-life balance.
- Both speakers motivated students to integrate modern skills with timeless spiritual wisdom for holistic growth.

Outcomes

- Students developed a better understanding of their personal goals and values.
- Improved awareness of time management and strategies for balancing academics and personal life.
- Enhanced confidence and motivation to take initiative in academic and extracurricular activities.
- Strengthened interpersonal communication and teamwork abilities.
- Positive feedback received from students indicating greater self-awareness and enthusiasm for continuous self-improvement.

Event Report			

Mapped CO\PO\PSO

- **PO8 – Ethics**
Apply ethical principles and commit to professional ethics and responsibilities and norms of engineering practice.

- **PO9 – Individual and Team Work**
Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.

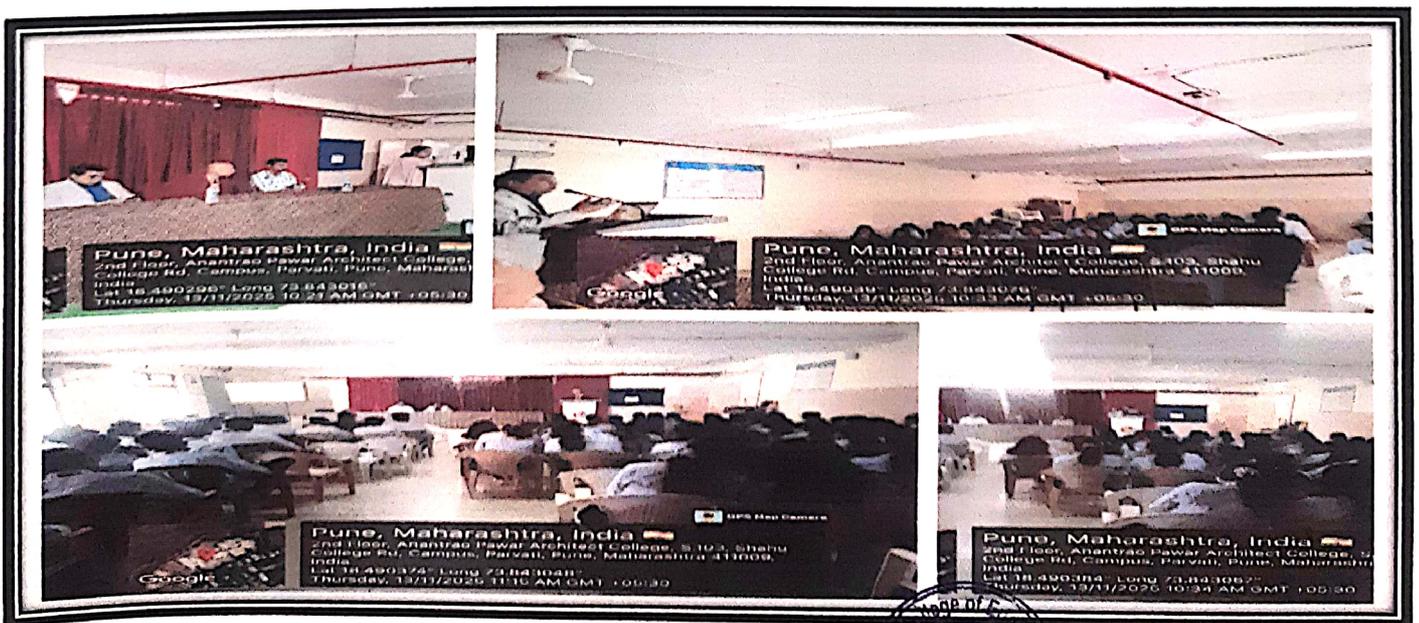

- **PO10 – Communication Skills**
Communicate effectively on complex engineering activities with the engineering community and with society at large.

- **PO11 – Project Management and Finance**
Demonstrate knowledge and understanding of engineering and management principles and apply these to one’s own work, as a member and leader in a team.

Conclusion:

The program concluded with a **vote of thanks** by Asst. Prof. Rupali Mehetre, expressing heartfelt gratitude to the distinguished guests for their enlightening talks and valuable time. The event was well appreciated by students and faculty members and marked a meaningful step in fostering personal growth and self-awareness among first-year engineering students.
