EVENT REPORT			

Name of the Event: Industrial Visit for SE, TE & BE Students of Information Technology Department

Date of the Event: 23rd September 2025 to 27th September 2025

Place of Industrial Visit: - Jodhpur- Udaipur (Rajasthan)

Industry Name: - Advaiya - Making Technology Work, Udaipur

Organized By: Department of Information Technology, APCOER

Event Coordinator: Prof. Akash Dodke (Departmental Industrial Visit Coordinator)

Faculty Members: - Prof. Sayali Kokane & Prof. Ashokkumar Kalal

Target Audience:- 52 Students (SE, TE & BE – Information Technology)

Objective of the Industrial Visit:

The primary objective of this industrial visit was to provide real-time exposure to industrial practices and bridge the gap between academic learning and professional IT environments. The visit aimed to make students aware of emerging technologies, industrial workflows, AI applications, and digital transformation processes, while also offering cultural and experiential learning through visits to historical and technologically relevant sites in Rajasthan.

Brief Description of Event:

The Department of Information Technology at Anantrao Pawar College of Engineering & Research, Pune, organized an **Industrial Visit for SE, TE, and BE students** from 23rd to 27th September 2025 to **Jodhpur and Udaipur, Rajasthan**. The visit included a comprehensive tour of historical and cultural landmarks in Jodhpur and Udaipur, along with an **industrial exposure at Advaiya – Making Technology Work, Udaipur**.

During the visit, students participated in technical sessions conducted by Advaiya's senior professionals, covering topics such as the company's 20-year journey, IT product development roadmap, and the role of Artificial Intelligence in the IT industry. The event aimed to **bridge academic learning with industry practices**, enhance technical knowledge, and provide cultural and professional exposure. Students also engaged in interactive sessions, Q&A discussions, and sightseeing tours, fostering both **technical growth and personal development**.

Program Outcomes Covered:-

PO3 Design / Development of Solutions, **PO5** Modern Tool Usage, **PO8-** Ethics,
PO9 Individual and Team Work, **PO10** Communication Skills,
PO11 Project Management and Finance

EVENT REPORT			

Day Wise Schedule:-

Day 0 – 23rd September 2025 (Travel to Jodhpur)

- Evening/Day: Departure from Pune to Jodhpur (train/bus as per transport arrangement)
- Overnight Journey

Day 1 – 24th September 2025: Jodhpur Exploration

Time	Activity	Details
7:20 – 7:45 AM	Arrival & Transfer	Jodhpur Station to Hotel Sonal Palace
7:45 – 8:45 AM	Rest/Check-in	Freshen up and settle at hotel
8:45 – 9:45 AM	Breakfast	At hotel
10:00 AM – 1:00 PM	Visit Mehrangarh Fort	Guided tour, learn about architecture & history
1:15 – 2:15 PM	Lunch	At heritage restaurant
2:30 – 3:30 PM	Visit Jaswant Thada	Study of heritage and architecture
3:45 – 4:30 PM	Visit Umaid Bhawan Palace (Museum)	Learn digital archiving of heritage assets
5:00 – 6:00 PM	Visit Mandore Gardens	Explore historical gardens & cenotaphs
6:30 – 7:15 PM	Visit Clock Tower & Sardar Market	Interaction with local artisans, observation of local trade
8:30 PM	Return to hotel	Rest for overnight stay

Day 2 – 25th September 2025: Travel to Udaipur & Advaiya Industrial Visit

Time	Activity	Details
6:00 – 6:30 AM	Breakfast	Hotel in Jodhpur
6:30 – 11:30 AM	Travel	Jodhpur → Udaipur
12:00 – 12:30 PM	Lunch	En route / in Udaipur
12:30 – 1:00 PM	Check-in & Rest	Hotel Belmonte, Udaipur
1:00 – 5:00 PM	Industrial Visit at Advaiya	Sessions conducted by: • Ruchika Godha (COO) – Advaiya 20-Year Journey • Mr. Kamal Verma – IT Product Development Roadmap • Ms. Ishika Mogra – Role of AI in IT Industry Q&A and interactive discussion with students
5:00 – 6:15 PM	Sunset & Photography	Ambrai Ghat / Ropeway to Karni Mata Temple
6:30 – 6:50 PM	Walk	To Bagore Ki Haveli
7:00 – 8:00 PM	Cultural Event	Dharohar Dance Show at Bagore Ki Haveli
8:15 – 9:30 PM	Night Walk & Refreshments	Fateh Sagar Lake
9:30 PM	Return to hotel	Overnight stay at Hotel Belmonte

EVENT REPORT			

Industrial Visit – Advaiya Solutions Pvt. Ltd., Udaipur 25th September, 2025 (1:00 PM – 5:00 PM)

Students visited Advaiya – Making Technology Work, a globally recognized IT company specializing in digital transformation, data analytics, and cloud-based enterprise solutions.

Coordinating Person:

Ms. Ishika Mogra (Head – Human Resources) organized and managed the entire industrial visit schedule.

Technical Sessions Conducted:

1. **Session 1: “Advaiya Technologies – 20 Years of Journey”**
Speaker: Ms. Ruchika Godha (Chief Operating Officer)
Key Learning: Insight into Advaiya’s growth, global IT partnerships, and evolution in business transformation using digital tools.
2. **Session 2: “Roadmap of IT Industry Product Development”**
Speaker: Mr. Kamal Verma (Technical Lead)
Key Learning: Understanding of end-to-end IT product development, SDLC stages, version control, testing frameworks, and project management methodologies.
3. **Session 3: “Role of Artificial Intelligence in IT Industry”**
Speaker: Ms. Ishika Mogra (Technical Lead)
Key Learning: Overview of Artificial Intelligence in modern IT solutions, machine learning integration, and data-driven decision-making models.

Students actively participated in Q&A discussions and interacted with technical experts about **career paths, required skills, and emerging technologies** in the IT domain.

Detailed Event Outcomes

1. Technical and Industrial Outcomes

- Students gained exposure to **real-world IT project management, cloud infrastructure, and AI implementation strategies.**
- Understood the **lifecycle of IT product development, from ideation to deployment.**
- Learned about **corporate communication, team collaboration tools, and client requirement handling in industrial settings.**
- Acquired insights into **career progression and professional skill development in IT consulting and software engineering.**

	Record No.: ACA/D/021 Revision: 00	DoI: 01/02/2025	
EVENT REPORT			

2. Academic and Knowledge Enhancement

- Strengthened conceptual understanding of subjects like **Software Engineering, Artificial Intelligence, and IoT** through industrial examples.
- Exposure to **Agile methodologies, DevOps practices, and data analytics frameworks** that align with academic curricula.
- Encouraged students to relate theoretical knowledge to **practical industrial applications**.

3. Professional and Personal Development

- Improved **communication, teamwork, and leadership skills** through group travel and interaction.
- Developed a sense of **discipline, coordination, and responsibility** during the industrial and cultural sessions.
- Enhanced adaptability and confidence by engaging in professional discussions and networking with experts.

4. Cultural and Heritage Awareness

- Visits to **Mehrangarh Fort, City Palace, and Sajjangarh Palace** helped students appreciate the link between **history, design, and modern tourism management**.
- Promoted **interpersonal bonding** and team collaboration through shared travel experiences.

5. Institutional Impact

- Strengthened **industry-academia collaboration** with Advaiya Solutions Pvt. Ltd.
- Created opportunities for **future internships, project collaborations, and industrial training programs**.

Student Feedback

Students reported that the visit was highly educational and inspiring. They appreciated the opportunity to learn from IT professionals at Advaiya and expressed that it clarified their understanding of **AI, software lifecycle management, and IT career options**.

The cultural visits to **Jodhpur and Udaipur** added to their overall learning experience and personal development.
