MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 20th December 2025

BETWEEN

A.B.M.S.PARISHAD'S ANANTRAO PAWAR COLLEGE OF ENGINEERING & RESEARCH S.No.103, Shahu College Road, Parvati, Pune-411009, Maharashtra (India), the First Party represented herein by its **Principal, Dr. Sunil B. Thakare** (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Gsoft Solutions Pvt. Ltd., Warje, Pune, (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors, administrators, and assigns).

1. Purpose

This Memorandum of Understanding (MOU) is made and entered into on this 28th day of November 2025, by and between Gsoft Solutions Pvt Ltd Warje, Pune, and Anantrao Pawar College of Engineering & Research (APCOER), Parvati, Pune - 411009, to collaborate under a Corporate Social Responsibility (CSR) Training Activity aimed at enhancing the technical and professional skills of students through online training programs.

2. About Gsoft Solutions Pvt. Ltd., Warje, Pune

Gsoft Solutions Pvt. Ltd., headquartered in Warje, Pune, is a growing technology and software development company offering IT services, software solutions, and industry-focused training programs. The company specializes in application development, web technologies, automation, cloud solutions, and technical skill development for students and professionals.

With a strong commitment to bridging the gap between industry requirements and academic learning, Gsoft Solutions provides practical, hands-on training in C++, Data Structures, Python, Java, Aptitude, and Soft Skills, delivered through experienced trainers and real-time project exposure.

The organization actively participates in CSR-oriented academic initiatives, helping engineering and technical students enhance their employability skills through structured learning modules, assessments, and mentorship support.

3. About Anantrao Pawar College of Engineering & Research (APCOER)

Anantrao Pawar College of Engineering & Research (APCOER), located at Parvati, Pune – 411009, is a well-established engineering institution dedicated to providing quality technical education and promoting innovation, skill development, and holistic student growth. The college actively encourages academic excellence, practical learning, and professional readiness.

4. Objective of the Collaboration

The main objective of this collaboration is to conduct online CSR Technical Training Programs for students of APCOER to improve their employability skills through structured learning in the following areas:

- Programming in C++ and Data Structures
- Aptitude and Logical Reasoning
- Soft Skills & Communication Development

5. Roles and Responsibilities

1. Gsoft Solutions Pvt. Ltd. shall:

- Design and deliver the CSR training program online through qualified trainers.
- Provide necessary learning resources and digital materials to students.
- Conduct assessments, assignments, and feedback sessions.
- Issue e-certificates of participation/completion to eligible students.

2. APCOER shall:

- Facilitate communication with students and ensure active participation.
- Provide student details and monitor attendance during online sessions.
- Coordinate with Gsoft Solutions Pvt. Ltd for scheduling and communication.

6. Duration of the MOU

This MOU shall remain effective for a period of one year from the date of signing and may be renewed or extended by mutual consent of both parties.

7. Confidentiality

Both parties agree to maintain the confidentiality of information shared during the course of this collaboration.

8. General Terms

- No financial transaction is involved as this program is conducted under CSR activity.
- Either party may terminate this MOU by giving 15 days' written notice.

First Party

Second Party

APCOER Pune

Gsoft Solutions Pvt. Ltd., Warje, Pune

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be constructed in accordance with Indian Law with exclusive jurisdiction in the Courts of Pune.
