Event Report			

Name of Event: “SPARKTECH 2K26” International Symposium – POSTERNOVA Poster Presentation
E&TC Department

Date of Event: 05/03/2026 & 06/03/2026

Time of event: 09:00 AM to 05:30 PM

Name of Event Coordinator: Prof. Ashwini Suryawanshi & Prof. Mansi Kamble

Objectives:

1. Encourage Research and Innovation

- Motivates students to explore new technologies, engineering solutions, and innovations.
- Promotes curiosity and independent learning.

2. Improve Presentation Skills

- Students learn how to communicate their project or research confidently.
- Enhances public speaking and interaction skills

3. Visual Representation of Ideas

- Posters teach students to summarize large information using diagrams, charts, and images.
- Encourages effective technical visualization.

5. Promote Teamwork

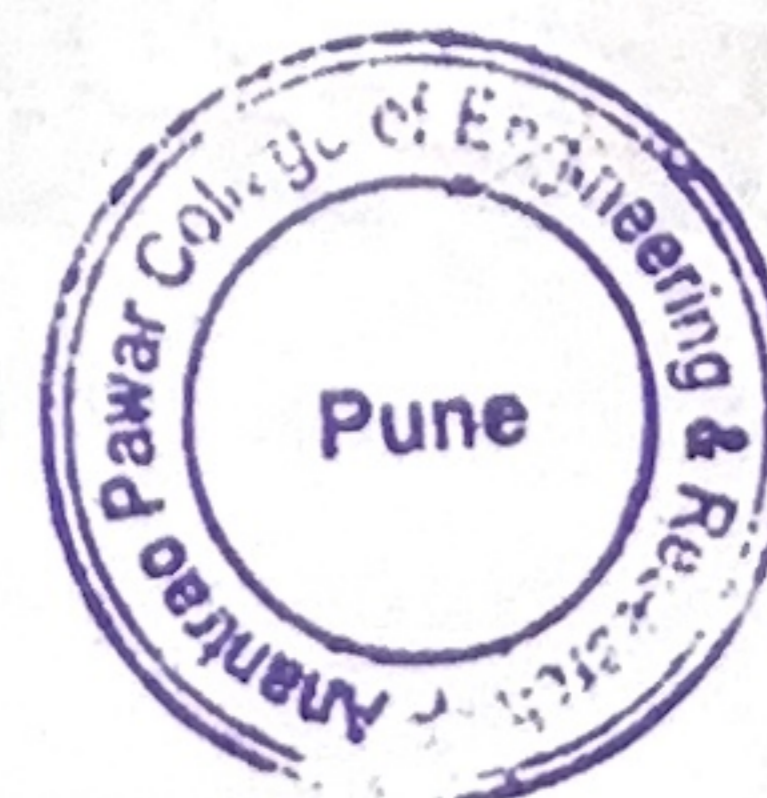

- Many poster presentations are done in groups, helping students develop collaboration and coordination skills.

6. Knowledge Sharing

- Allows students to share their poster findings with faculty and judges.
- Encourages academic discussion and feedback.

Brief About Event: (Detail Program Description):

SPARKTECH 2K26 International Symposium was organized under ISTE Student chapter from 05/03/2026 & 06/03/2026 at ABSMP'S APCOER, Parvati, Pune. In SPARKTECH 2K26 International Symposium each department comes up with different Competitions. Our E&TC department Conducted POSTERNOVA Poster Presentation Competition. We have conducted it in Hybrid mode.

Day-1 (05/03/2026) – Inauguration & Offline Poster Presentation

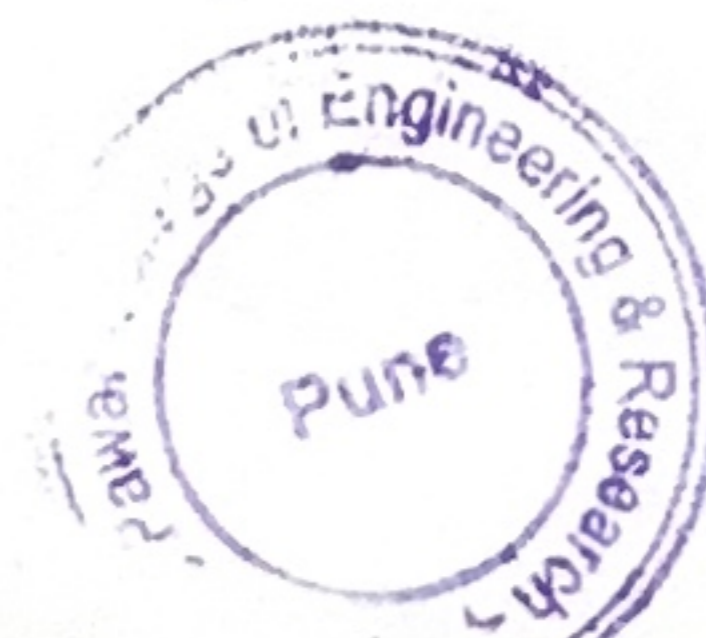

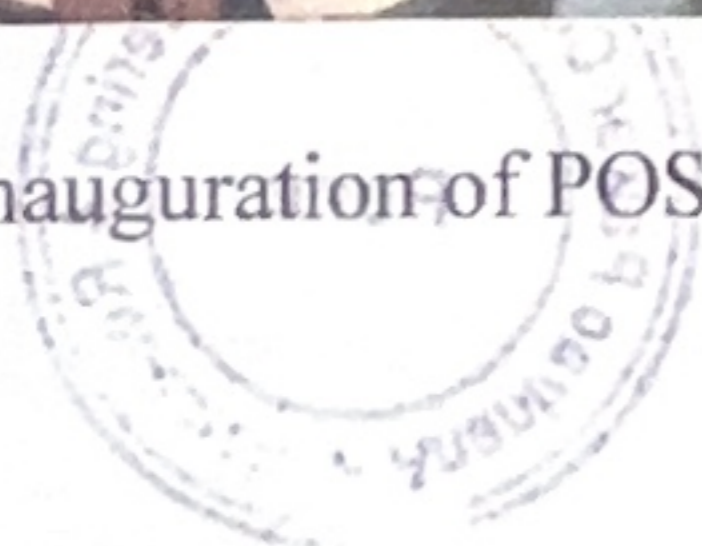

The program started with the College Inauguration held from 11:00 AM, marking the official beginning of the event. During this session, faculty members and students gathered to celebrate the occasion and introduce the activities planned for the day. The inauguration created an enthusiastic atmosphere and encouraged students to participate actively in the academic event.

After the break, the E&TC Department Inauguration was conducted at 02:00 PM, highlighting the department's involvement in organizing the program. Following the inauguration, Dr. Amar Deshmukh, Head of the E&TC Department, delivered a guidance session from. In his address, he motivated students and shared valuable insights about the importance of innovation, technical knowledge, and effective presentation skills. He also encouraged students to confidently present their ideas and make the best use of such academic platforms. The event was successfully coordinated by ISTE Departmental Coordinator, Prof. Ashwini Suryawanshi & Event Coordinator Prof. Mansi Kamble, who efficiently managed the planning and execution of the program.

Finally, the Offline Poster Presentation was conducted. During this session, students presented posters on various technical topics and explained their concepts, research work, and innovative ideas to faculty members and evaluators. The activity provided students with an opportunity to enhance their communication, creativity, and technical understanding while interacting with teachers and peers. On first Day Prof. Sneha Salvekar Evaluates the posters.

Day-2 (06/03/2026) - Hybrid Poster Presentation and Prize Distribution

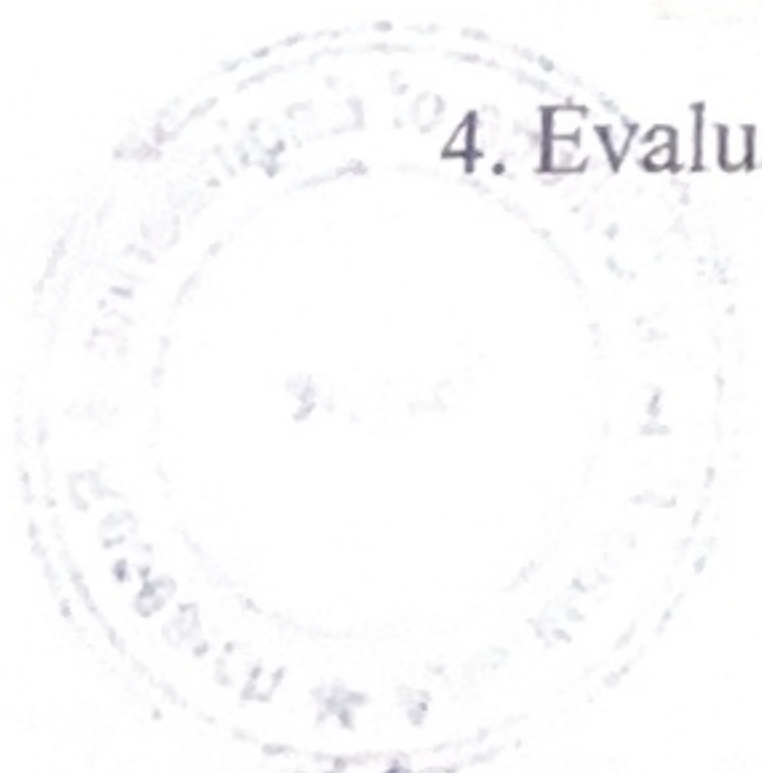

The Online Poster Presentation was conducted successfully, providing students with a platform to present online their ideas and technical knowledge. The presentations were carefully evaluated by Prof. Sharad Jagtap and Prof. Anil Naikwade, who assessed the posters based on Content, Organization Innovative Idea/Societal Approach, Technical Accuracy, Design, Layout, Presentation & Communication Skills. Their valuable feedback helped students understand the strengths of their work and areas for improvement. Offline Poster Presentation were evaluated by Prof. Shridevi Kumbhare, Prof. Priyanka Patange & Prof. Suhas Doke who carefully reviewed the posters and assessed them.

After that some selected Posters evaluated by our Guest Evaluator Mr. Milind Shende. The felicitation of the guest, Mr. Milind Shende, Director, Afferent Technologies, Pune was conducted, during which he was honored and warmly welcomed for his valuable presence and support. The program concluded with a Vote of Thanks by Prof. Ashwini Suryawanshi, where gratitude was expressed to the chief guest, Head of the Department, faculty members, and students for their valuable presence and support. Prize Distribution ceremony was held by college level. They distributed the prize and certificates to the Winners. Prof. Mansi Kamble and Prof. Shivkanya Rasal coordinate with students and handover the certificates to all the Participated Students. Miss Mayuri Kondhalkar, Technical Head, and Mr. Varadraj Pasalkar, Student Coordinator, played an important role in organizing the event. ISTE student's team also actively assisted in coordinating with participants, managing the technical arrangements, and ensuring the smooth execution of the poster presentation sessions. Their dedication and support contributed significantly to the successful completion of the event.

This report cannot be ended without mentioning the efforts and contributions of the head of the department- Dr. Amar Deshmukh, all teaching and non-teaching staff, students of SE ,TE and BE E&TC as well as all participants to make this SPARKTECH 2K26-POSTERNOVA Event, a grand success.

No. Of Beneficiaries: More than 100 Students

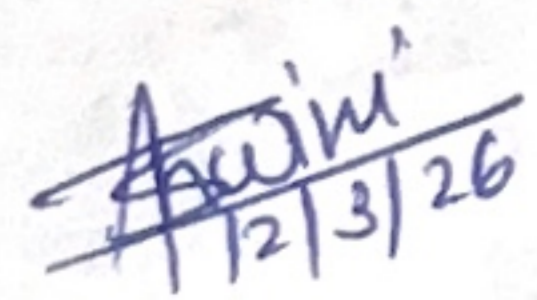

Outcome of the Program:

- Students got an opportunity to present their technical ideas and research work through posters.
- The event helped in improving students' presentation and communication skills.
- It encouraged creativity, innovation, and critical thinking among the participants.
- Students gained confidence while explaining their concepts to faculty and evaluators.
- The activity promoted active participation in academic and technical events.
- It enhanced knowledge sharing and learning among students and faculty members.

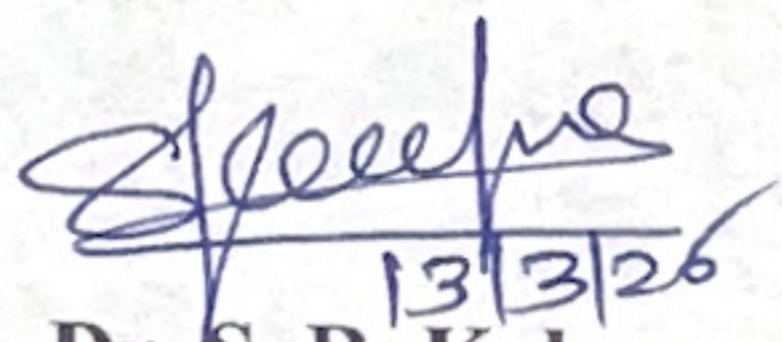

Mapped CO/PO/PSO:

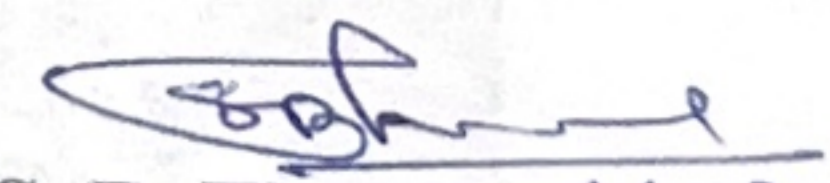

Category	PO/PSO	Statement	Relevance/Mapping with the Event
Program Outcomes(POs)	PO1	Engineering Knowledge	Students applied engineering concepts and technical knowledge while preparing and explaining their posters.
	PO2	Problem Analysis	Participants analyzed engineering problems and presented their understanding through poster topics.
	PO3	Design/Development of Solutions	Students proposed innovative ideas and solutions related to engineering applications.
	PO5	Modern Tool Usage	Digital tools, design software, and visual techniques were used to create effective posters.
	PO9	Individual and Team Work	Students worked individually or in groups to design and present their posters.
	PO10	Communication	The activity improved students' ability to explain technical concepts clearly to faculty and evaluators
Program Specific Outcomes(PSOs)	PSO1	Analyze and design electronic circuits and machines for a given specification and function	Students analyzed engineering concepts and presented ideas related to electronic circuits, systems, and applications through posters.

Respected Sir,

Greetings from Anantrao Pawar College of Engineering & Research, Pune.

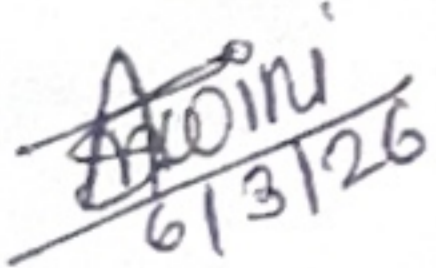

On the behalf of E&TC Department, I want to express my sincere gratitude for your role as a judge in the recent technical event SparkTech 2k26 "POSTERNOVA" Poster Presentation, scheduled to be held on 5th and 6th march 2026 at our college campus.

Your dedication and expertise as a judge in the poster presentation have not gone unnoticed. On behalf of all the participants, I want to express my heartfelt appreciation for your time, effort, and valuable insights. Your impartial evaluations and constructive feedback have contributed significantly to the success of the event and the growth of the participants.

Thank you for being an integral part of this competition and for upholding the highest standards of fairness and excellence. Your presence and judgments have made a lasting impact on everyone involved.

With deepest gratitude,
