Departmental Advisory Board (DAB)

- The roles and responsibilities of DAB are as follows:
- Suggest improvement in academic plans and recommend standard practices/systems for attainment of PO's and PSO's.
- Encourage industry institute interactions to bridge up curriculum/ industry gap and suggest quality improvement initiatives to enhance employability.
- Redefine existing Program Educational Objectives (PEO), aligning of PEO's to the mission and vision statements and defining Program Specific Outcomes through feedback.
- To propose a necessary action plan for skill development of students required for entrepreneurship development and quality improvement.
- To identify and suggest thrust areas to conduct various activities (Final year projects, training courses and additional experiments to meet PO's and PSO's).
