EVENT REPORT			

The Parent Teacher Meeting was conducted as per the following sequence:

1. Parents started arriving at 11.00 am onwards and were warmly welcomed by the coordinators, class teachers and mentors of the respective class. The Parents were later interacting with the class teachers and mentor.
2. Parent teacher meeting started with a speech of Class Teachers of respective Class in the given location.
3. HOD First Year Engineering Department Dr. Balaji Selukar guided the parents who visited HOD.
4. Interaction between Parent and Teachers done with respect to the progress record of students like Semester I result, Unit Test Marks, Attendance of students and overall response of students in the college.
5. At the end all class teachers shared the experience about class.
6. Also, Parents were invited to express their views about the college, their views regarding the development of their wards and to come up with suggestions.
7. Meeting concluded by respective teachers in the respective classroom as per the schedule.

The parents had seen the semester I result and also records of attendance of their ward and discussed the academic planner. Class teachers as well as the subject teachers discussed the semester I result, attendance and activities which were conducted during semester II. Some instructions were also given to the parents regarding the college uniform, payment of fees, minimum attendance required and admission process. It was also told to the parents that they should call the mentor of their ward at least once a week. Later Tea was distributed to parents. Parent's feedback taken for the event conducted.

A detailed review of the feedback is as follows.

1. Programs on personality development and communication skills should be conducted along with the academics.
2. The training placement department should try to place maximum students possible.
3. Given positive feedback for our facilities namely classroom, laboratory, canteen and other campus facilities also for teaching and non-teaching staff.

In all it was strong effort to bridge the communication gap between parents and teachers
