Event Report

Name of Event: Career guidance session in Japan by AtoJ Hirameki India Pvt Ltd.

Date of Event: 23/3/2026

Time of Event: 12:15 am to 1:15 pm

Name of Event Coordinator: Dr. A. B. Shelar and Prof. H. J Abhichandani

Name of Resource Person: Mr. AtoJ Hirameki and Ms. Muchukunte Swathi

Objectives:

- To create awareness among Civil Engineering students about career opportunities in Japan.
- To introduce students to the requirements for working in Japan, including technical skills and language proficiency.
- To provide guidance on Japanese language training and its importance for career growth.
- To inform students about placement support and job roles available in the construction and infrastructure sector in Japan.
- To motivate students to explore international career pathways.

Brief About Event:

A Career Guidance Session was conducted by AtoJ Hirameki India Pvt. Ltd. for Civil Engineering students. The session began with a warm welcome extended to the speakers by the Head of the Civil Engineering Department (HOD Civil). The session was delivered by Mr. AtoJ Hirameki and Ms. Muchukunte Swathi, who shared valuable insights into employment opportunities in Japan, particularly in the construction and infrastructure sector.

The speakers discussed the growing demand for skilled engineers in Japan and explained the eligibility criteria, recruitment process, and required technical competencies. They also emphasized the importance of Japanese language proficiency, work culture, salary structure, and living conditions in Japan.

Additionally, they introduced the training programs offered by the organization, including Japanese language training and placement support for students aspiring to work in Japan.

No. of beneficiaries: 41

Outcome of the Program:

- Students gained awareness about international career opportunities in Japan.
- They understood the importance of learning the Japanese language for career advancement.
