EVENT REPORT			

Name of Event: Parent Teachers Meeting.

Date of Event: 21/09/2026

Organized By: Department of Electronics and Telecommunication Engineering

Time of event: 3:00 PM – 05:00 PM

Name of Event Coordinators: Prof. Suhas Doke . Prof. Priyanka Patange. Prof. Anil Naikwade

Brief Description of Event:

Parent Teachers Meeting was arranged on 21th Sep 2026 at 3:00-05:00 PM. It was conducted at E&TC Department. The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience.

A total of **50 parents** attended the meeting. The active participation of parents contributed significantly to understanding students' academic performance and identifying areas requiring further improvement

Prof. Suhas Doke welcome all for Parent-Teacher Meeting. An inaugural speech was delivered highlighting the purpose of the PTM, focusing on academic performance, attendance, discipline, and overall development of students. Parents were encouraged to actively participate in their wards learning process and maintain regular communication with teachers. A Parent-Teacher Meeting is an important platform where parents and teachers come together to discuss the academic progress, behavior, and well-being of students. Education is not just the responsibility of the College; it is a shared journey where both parents and teachers play equally important roles.

The class teacher emphasized the significance of regular attendance, stating that consistent presence in class is essential for better understanding of subjects and improved academic outcomes. Attendance records of students were shared with parents. They were requested to ensure that their ward attend college regularly and maintain punctuality.

Dr. Amar Deshmukh Head E&TC Department gives brief about the Academic Year 2026-2027. Course Structure of all Three Years that is SE, TE and BE. Exam Structure was also discussed with Parents. The

EVENT REPORT			

discussion was primarily focused on students' performance in classroom and exams. The parents were informed about the students' performance during the College Exam and preparation for upcoming examination. Discussion was focused on student's specific strengths and weaknesses in individual subjects and student discipline in classrooms.

The department encouraged students to participate in academic, technical, cultural, and co-curricular activities. Activities included the Guru Purnima celebration, IIT Bombay visit, departmental library activities, and various events conducted under ECESA.

Important departmental events included startup ecosystem awareness sessions under IIC, an expert session on advanced 5G networks conducted under the mentorship of COEP Technological University on 11 September 2026, placement-oriented sessions, and Magic Bus soft-skills training

The Head of Department (HOD) addressed the gathering during the session, focusing on placement activities and training opportunities provided under the department's Memorandum of Understanding (MoU) with various organizations. HOD highlighted the importance of placements as a crucial step in students' career development. Detailed information was shared regarding the placement process, including eligibility criteria, preparation strategies, and the role of the department in guiding students. The HOD encouraged students to actively participate in placement drives and develop essential skills such as communication, aptitude, and technical knowledge. HOD also discussed about 45 days free training under Lighthouse Community Foundation for 20 final year students.

Parents were encouraged to motivate their wards to actively engage in these training programs and take full advantage of the opportunities provided by the department.

Toppers of all the courses are then appreciated and congratulated. The session was interactive, with parents asking questions and sharing their concerns. The teacher responded positively and provided guidance wherever needed.
