Internal Correspondence For Department			

To,
The Principal,
APCOER, Pune

Subject: Permission to conduct a Seminar on "Practical BIM Application with Software Tools" for the Civil Engineering students by Design Studio – CAD and BIM Training Institute, India, on Friday, 25th July 2025.

Respected Sir,

We are planning to Conduct a Seminar on "Practical BIM Application with Software" the Civil Engineering students by Design Studio – CAD and BIM Training Institute, India, on Friday, 25th July 2025. In this session, they will introduce students to the growing career opportunities in Building Information Modeling (BIM), specifically tailored for civil engineers. The seminar will highlight how BIM is revolutionizing the construction and infrastructure industry. They will also conduct a specific BIM implementation demo using popular BIM software tools applied in real-world projects, giving students practical exposure to their usage in design, planning, coordination, and project management.

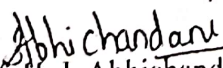

For this we require an advance of Rs.750/- in order to conduct the program. Details of Expenditure are as follows.

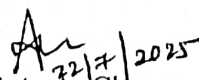

Sr.No.	Expenditure details	Amount
1.	High-Tea	Rs.500 /-
2.	Felicitation	Rs.250 /-
	Total	Rs.750/-

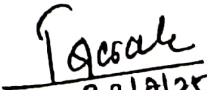

So, kindly give the permission for the same

Thanking You,

Date: 22/7/2025
Yours Faithfully,

Prof. H. J. Abhichandani
Training & Seminar coordinator

Prof. A. A. Chavan
Cadd Lab Incharge & Seminar coordinator

Dr. R. R. Sorate
Head, Civil Engg
Head

Civil Engineering Department

Enclosures-

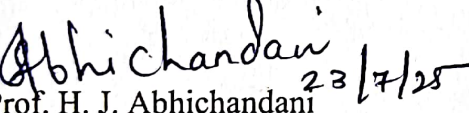

- 1) Mail Received from Design Studio – CAD and BIM Training Institute, India.
- 2) Brochure Received from Design Studio – CAD and BIM Training Institute, India.

EVENT SCHEDULE			

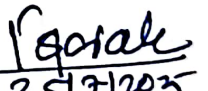

Minute to Minute Schedule

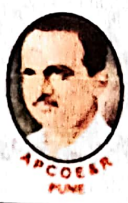

“Practical BIM Application with Software Tools” by Design Studio – CAD and BIM Training Institute, India, on Friday, 25th July 2025 at 2:00 pm in Civil Seminar Hall.

Sr. No.	Particulars	Time
1.	Welcome to Honorable Speaker	02:00 pm to 02:05 p.m.
2.	Lamp Lightning Ceremony, Saraswati Poojan	02:05 pm to 02:07 p.m.
3.	Session briefing by Harsha Abhichandani	02:07 pm to 02:10 p.m.
4.	Addressed by Dr.R.R.Sorate, HOD, Civil Engineering Department	02:10 pm to 02:15 p.m.
5.	Introduction of Honorable Speaker by Prof. Amruta Chavan	02:15 pm to 02:18 p.m.
6.	Felicitation of Honorable Speaker by Dr.R.R.Sorate	02:18 pm to 02:20 p.m.
7.	Activities conduction and Briefing about BIM by Speaker	02:20 pm to 03:20 p.m.
8.	Vote of Thanks by Prof. Amruta Chavan	03:20 pm to 03:25 p.m.
9.	Feedback	03:25pm to 03:30

Event Report			

Name of Event: Seminar on “Practical BIM Application with Software Tools” for the Civil Engineering students by Design Studio – CAD and BIM Training Institute, India.

Date of Event: 25th July 2025.

Time of Event: 02:00 pm to 4:00 pm

Name of Event Coordinator: Prof. A. A. Chavan and Prof. H. J Abhichandani

Name of Resource Person: Mr. Kaustubh Panse

Objectives: To introduce civil engineering students to the growing career opportunities in Building Information Modeling (BIM) and demonstrate its impact on the construction industry through a practical session using popular BIM software. The event will provide insights into real-world applications of BIM in design, planning, coordination, and project management.

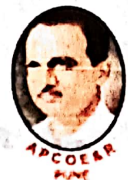

Brief About Event:

The seminar on “Building Information Modeling (BIM) and Career Opportunities for Civil Engineers” commenced with a warm welcome to the Speaker, Mr. Kaustubh Panse, followed by a traditional Lamp Lighting Ceremony and Saraswati Poojan to invoke blessings for a successful event. The workshop briefing was presented by Prof. H. J Abhichandani. This was followed by an inspiring address by Dr. R. R. Sorate, Head of the Civil Engineering Department, who emphasized the importance of BIM in the evolving construction industry.

Prof. Amruta Chavan introduced the Honorable Speaker, highlighting their contributions and expertise in the field of BIM. A felicitation ceremony was then conducted by Dr. R. R. Sorate to honor the guest. As a creative addition, students performed short acts highlighting common problems encountered on construction sites due to the lack of BIM — such as design clashes, poor coordination, and communication gaps. These performances effectively set the stage for understanding the real-world importance of BIM.

Building on these performances, the guest speaker conducted a live demonstration showing how BIM tools effectively resolve such issues. The demonstration showcased how design conflicts are detected and resolved in the planning phase through clash detection, how teams can collaborate using a shared 3D model, and how scheduling and cost estimations can be

Event Report			

managed efficiently using BIM-integrated platforms. This direct connection between the student acts and the live demo gave participants a clear, practical understanding of how BIM overcomes real-world construction challenges. At the end of the program students who did act were appreciated.

The event concluded with a heartfelt Vote of Thanks by Prof. Amruta Chavan, expressing gratitude to the speaker, faculty, and students for their active participation.

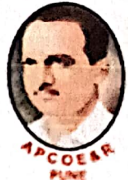

No. of beneficiaries: 60

Outcome of the Program:

The seminar successfully enhanced students' awareness of the importance and practical applications of Building Information Modeling (BIM) in the civil engineering industry. Through a combination of engaging student acts and a live demonstration by the expert speaker, participants gained a clear understanding of common on-site issues and how BIM can effectively resolve them. The event sparked strong interest among students to explore BIM tools and pursue career opportunities in this growing field. Overall, the session equipped attendees with valuable insights, practical knowledge, and motivation to adopt modern digital practices in construction and infrastructure projects.

Mapped CO/PO/PSO:

PO1: Engineering Knowledge, PO2: Problem Analysis, PO3: Design/development of solutions, PO5: Modern Tool Usage, PO9: Individual and Team Work, PO10: Communication, PO12 Life-long learning, PSO1: Demonstrate Industrial practices learned through Field Project and PSO2: Demonstrate construction and management practices to solve infrastructural development issues.

Letter of Thanks

To,
Mr. Kaustubh Panse,
Director of Sales and Operations,
Design Studio CAD & IT Training Institute, India

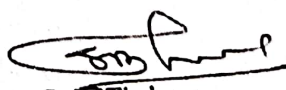

Respected Sir,

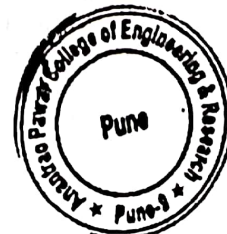

We would like to give our special thanks for conducting a Seminar on "Practical BIM Application with Software Tools" for the Civil Engineering students by Design Studio – CAD and BIM Training Institute, India, on Friday, 25th July 2025. The seminar proved to be extremely beneficial for our students, offering them valuable exposure to real-world applications of Building Information Modeling (BIM) and its relevance in the modern construction industry. The practical demonstrations and discussions around the use of advanced software tools provided the students with a clearer understanding of BIM workflows and its integration into civil engineering practices.

We highly appreciate the effort, expertise, and enthusiasm shared by you. Such industry-academia interactions play a vital role in bridging the knowledge gap and preparing students for the professional world. We look forward to continued collaboration with your esteemed institute for future knowledge-sharing initiatives and training programs.
Thank you once again for your valuable contribution.

PARTICIPANT FEEDBACK			

1. 1. Whether this event, Apply the knowledge of mathematics, science,
engineering fundamentals, and an engineering specialization to the solution of
complex engineering problems? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some extent

2. 2. Whether this event will help you to Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences ? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some extent

3. 3. Whether this event will help you to Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some Extent

4. 4. Whether this event will Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions ? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some Extent

5. 5. Whether this event will help you to Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations ? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some Extent

6. 6. Whether this event will help you to Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice ? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some Extent

7. 7. Whether this event will help to Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some Extent

8. 8. Whether this event will help to Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some extent

9. 9 . Whether this event will help you to Demonstrate construction and management practices to solve infrastructural development issues. *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some extent

10. 10. Whether this event will help you to Analyze, design and use skills in order to formulate and solve Civil Engineering problems? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some extent

11. 11. Whether this event will help you to Apply fundamental technical knowledge and skills to find creative solutions to technological challenges and problems in various domains of Civil Engineering? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some Extent

12. 12 Whether this event will help you to Practice Civil Engineering in an ethical manner, as an individual or a team member, implementing eco- friendly sustainable technologies? *

Mark only one oval.

- ☐ Yes
☐ No
☐ To some Extent

13. 6. What did you most appreciate/enjoy/think was best about the event? Any suggestions for improvement?
