Subject: Seminar on "Panel Discussion with Regional/National Startup Ecosystem Enablers"

All the students of Anantrao Pawar College of Engineering & Research (APCOER), Pune are hereby informed that the Department of Electronics & Telecommunication in association with Institution's Innovation Council (IIC) in association with the Internal Quality Assurance Cell (IQAC) is organizing a seminar on "Panel Discussion with Regional/National Startup Ecosystem Enablers."

The panel discussion aims to provide students with valuable insights into the start-up ecosystem, entrepreneurship, innovation, incubation support, government initiatives, funding opportunities, and the role of ecosystem enablers in transforming innovative ideas into successful ventures. Students will get an opportunity to interact with experienced start-up mentors, entrepreneurs, incubator representatives, and industry experts.

Program Type	Seminar	
Program Theme	From Ideas to Impact: Empowering the Next Generation of Entrepreneurs through the Startup Ecosystem	
Mode of Conduct	Offline	
Time	From: 11:00 AM	To: 2:00 PM
Dates	Starting: 11/08/2026	Ending: 11/08/2026
Number of student Participants(Min: 20)	41	
Number of Faculty Participants(As Many)	12	
Number of External Participants	---	
Expenditure Amount ,If any	1500	
Objective(100 words)	The objective of the program is to provide students with practical insights into the regional and national startup ecosystem and inspire them to pursue innovation and entrepreneurship. The panel discussion aims to connect students with startup founders, industry experts, incubators, mentors, and ecosystem enablers to understand the journey from ideation to commercialization. It will highlight opportunities related to startup funding, incubation, mentorship, government initiatives, intellectual property, market validation, and networking. The program also seeks to develop an entrepreneurial mindset among students, encourage innovative problem-solving, and motivate them to transform their ideas into sustainable ventures that create social and economic impact.	

Benefit in-terms of learning/skill/knowledge obtained	• Understanding of the Startup Ecosystem • Development of Entrepreneurial Mindset • Knowledge of Idea Validation and Business Models • Awareness of Startup Funding and Incubation • Development of Innovation and Problem-Solving Skills • Networking with Entrepreneurs and Industry Experts • Improvement in Communication and Pitching Skills • Awareness of Intellectual Property Rights (IPR) • Knowledge of Government Startup Schemes and Support • Awareness of Career and Entrepreneurship Opportunities
