## Subject: Mentoring Event: Poster Presentation of Business Plans & Mentor Linkages

All students are hereby informed that the Department of Electronics & Telecommunication in association with IIC & IQAC cell, APCOER organizing a **Mentoring Event** aimed at fostering innovation and entrepreneurial skills.

**Event Details:**

**Activity:** Poster Presentation
**Date & Time:** 17/04/2026 , 2:00 pm
**Venue:** Digital Electronics Lab (326)
**Target Audience:** Engineering Students

Students are required to prepare and present posters. Mentors will be available to guide and provide valuable insights for further development. All students are encouraged to actively participate and make the most of this opportunity.

**Poster Presentation Guidelines:**

All participants are required to follow the given poster format:

- **Poster Size:** 2*3
- **Title:** Clear, concise, and bold at the top
- **Abstract:** Brief summary of the topic (4–5 lines)
- **Block Diagram:** Proper labelled diagram representing the concept/system
- **Results & Conclusion:** Final summary and main message of the poster

| **Objective(100 words)** | The objective of the mentoring event on Poster Presentation of Business Plans and Mentor Linkages is to foster entrepreneurial skills among students by encouraging them to develop and present innovative business ideas. The event aims to provide a platform for effective communication, critical thinking, and creativity through structured poster presentations. It facilitates interaction with experienced mentors who offer valuable guidance, industry insights, and constructive feedback. Additionally, the activity helps students understand real-world business challenges, refine their ideas, and build confidence. It also promotes networking opportunities, bridging the gap between academic learning and practical business implementation. | |

**CO/POs/PSOs Mapped**

| Category | PO/PSO | Statement | Relevance / Mapping with the Mentoring Event |
|---|---|---|---|
| CO1 | PO1, PO2, PO3, PO11, PO12 | Develop innovative and feasible business ideas. | Students apply fundamental knowledge (PO1) and analyze problems (PO2) to design innovative business models (PO3). They consider basic planning aspects (PO11) and develop entrepreneurial thinking as part of lifelong learning (PO12). |
| CO2 | PO3, PO9, PO10, PO12 | Present business plans effectively using posters and communication skills | Students design structured presentations (PO3), work collaboratively (PO9), and communicate ideas clearly through posters (PO10). Continuous improvement in presentation reflects lifelong learning (PO12). |
| CO3 | PO1, PO2, PO3, PO4, PO11 | Analyze market needs, challenges, and business feasibility | Students use engineering knowledge (PO1) and analytical skills (PO2) to evaluate market conditions. Investigation and research (PO4) help assess feasibility, while planning and resource consideration relate to PO11. |
| CO4 | PO2, PO4, PO9, PO10, PO12 | Interact with mentors and incorporate feedback for improvement | Students analyze mentor feedback (PO2), engage in discussions (PO4), and improve teamwork (PO9). Communication with experts (PO10) and adaptability reflect lifelong learning (PO12). |
| CO5 | PO3, PO8, PO9, PO10, PO12 | Demonstrate teamwork, leadership, and professional networking skills | Students work in teams (PO9), show leadership and ethical behavior (PO8), and communicate professionally (PO10). Networking and collaboration support lifelong learning (PO12), with minor design involvement (PO3). |
